Preposition exercise primary 4 pdf

P4 preposition exercise pdf. Preposition exercise primary 4. Preposition exercise primary 6 pdf.

We use prepositions like "to", "in", "of", "by", "for" and "about" to say where, when or in which direction something is happening. In these exercises, students finish sentences using these words from a list. Prepositions give information about place, time or movement. Students are given handouts with exercises on prepositions, such as worksheets, pdfs and other materials for practice. **English Language Learning Resource for Elite Curriculum** Designed specifically for students in local and international schools across Asia, this comprehensive resource is ideal for Hong Kong, China, Taiwan, Singapore, Korea, and other countries where English is a key second language.
